Ah, sweet mystery of life at last we've found you...in this month's *hottest* Fresh Fleshy, Flora Martinez, who's 50% Canadian, 50% Colombian & 100% gorgeous, sexy & talented enough to possibly unseat the reigning "Ero-exotica," Elena Anaya. Everybody's favorite husky-voiced tomboy shows off her *all-girl assets*—FOR THE VERY FIRST TIME—as edgy Eliza Dushku goes *topless*! Also-topless Mischa Barton may be in a personal slump these days, but her *perky*es are *plump* on pages 18 & 19! Meanwhile, XXX-er Katie Morgan goes Zack and Miri mainstream! Enjoy!—LILSHAMETONGUE WAY

FUNNY WOMEN!

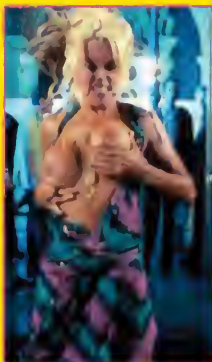

Nothing's hotter than a sexy, beautiful, curvaceous babe with a sense of humor. If she's got enough bawdiness burning inside that she can even make punchlines out of her *pendulous pride-and-joys*, she's all the woman you need, and laughs for a lifetime because, let's face it: There's just something funny about big boobs. They jiggle. They bounce. They wobble to & fro. They're always "out there," waiting to be noticed. Mae West, herself, a big-bosomed broad who dealt in wit with few competitors, said, "I speak 2 languages, Body and English." Give both to the right girl & just wait for the laughs to liven you...up!

DIORA BAIRD

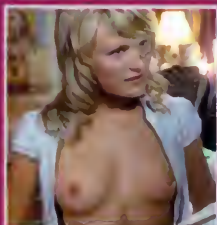

"It wasn't until in the last year and a half that I started making fun of myself and the fact that I have big boobs. I never really was comfortable with my large breasts. And I went to the plastic surgeon, and almost got a breast reduction. I didn't do it, thankfully." Thankfully, indeed! Diona's delectable 32DDs and her willingness to bare them for laughs & lust-filled ogles in *Hot Tamale* ('06, left) & *Wedding Crashers* ('05, above) make her a fave silly starlet! She plays an Orion slave girl in '09's *Star Trek* redo!

JENNY MCCARTHY

In high school, Jenny considered herself "an outcast"—even though she was a cheerleader. So, judging from her comedienne-making antics on her breakout show, MTV's *Singled Out*...maybe Jenny was the burping-'n'-farting bane of the pom-pom squad? With her blue eyes, dazzling smile & shameless ability to revel in tastelessness, as seen in her self-penned starring vehicle, *Dirty Love* ('05, all), Jenny's real, sweet and...a total pottymouth. You could take her home to Mom. If Mom's deaf.

MALIN AKERMAN

Aside from that inimitable Muppet, *The Swedish Chef*, the Swedes aren't exactly known for their sense of humor. That's why miracle-maid Malin, who hails from the land of Ikea, Volvos, lingonberries, smörgåsar and Absolut Vodka is such a pleasant sexprise—as intoxicating as pounded shots of Absolut, and, as seen in her performances in *Harold & Kumar Go to White Castle* ('04, left) & *The Heartbreak Kid* ('07, middle & right)—as kooky as the name of an Ikea desk lamp. Don't miss her in *Watchmen*!

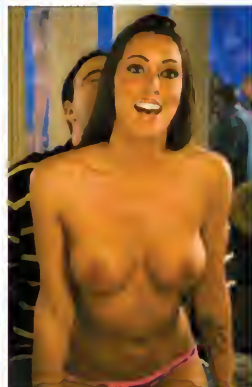

IRINA VORONINA

Reno 911: Miami! ('07, all) is a hysterical flick with a terrific cast... made even better once blonde fantasy Irina hits the beach in nothing but a pair of teeny-weeny, hot-pink bikini bottoms! A teeny-weeny, you will not have anytime Irina's around—that much is for certain! Irina was born on December 19, 1977 in Dzerzhinsk, Russia and—knowing Russia—there's probably nothing funny about that. What IS funny: Irina as Fallopia on Adult Swim's first-ever live action show, *Saul of the Mole Men*.

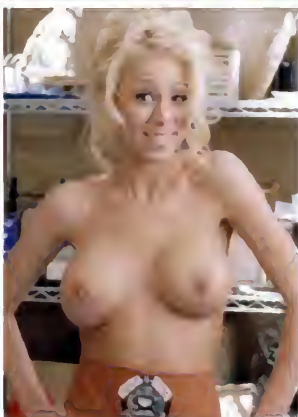

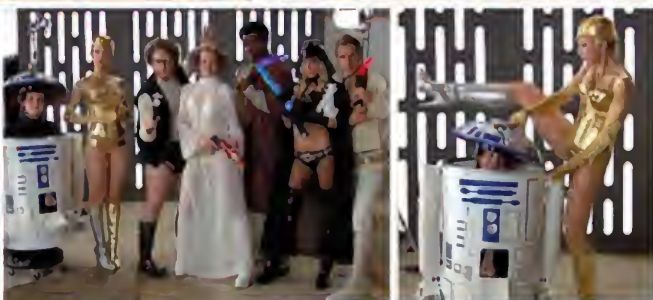

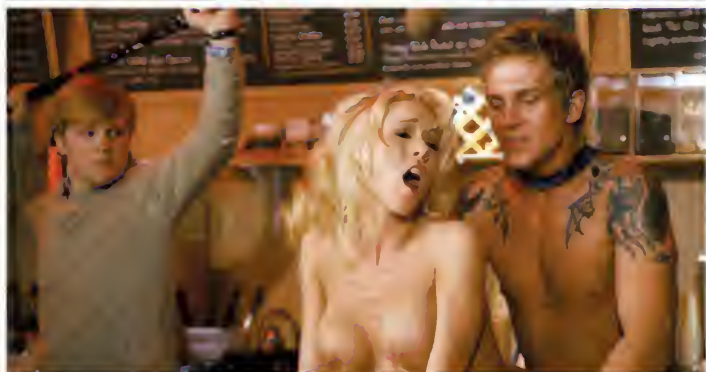

It might be said that *Zack and Miri Make a Porno* is the sweetest film Kevin Smith may ever make. Rest assured—it's still filled with all the T&A raunch you'd expect from a movie about amateur hardcore pornography, & diehard Smith fans will be more than satisfied by his usual juvenalia. All that aside, *Zack and Miri* is a charming love story that beguiles you (almost in spite of itself, it's that sweet). You may be surprised when it warms not only your c***, but also the cockles of your heart. Wholly relevant to these trying times, Zack (lovable oaf Seth Rogen) & Miri (adorable Elizabeth Banks) are best friends & roommates stuck in dead-end jobs, feeling like losers on a lifelong losing streak, and so broke that they burn paper in a trashcan to heat their apartment as the utilities are turned off. Frustrated by their dire straits—and inspired at their high school reunion by Brandon Routh (Superman!) & Justin Long in a hysterical piece of casting—Zack convinces Miri that making a porno in which they're brave enough to show their own "pink meat," will bring about a \$\$\$ windfall that gets them out of the red. As Zack & Miri assemble a cast & crew and start production, we see not only the "ins-'n'-outs" of amateur porno film-making, but the gelling of a group of misfits who band together to give each other purpose, hope... and bodily fluids. Zack and Miri may well be the first—and only—movie that inspires you with that "Yes We Can!" vibe as Zack announces, "We are gonna launch arcing ropes of jism all over this mother*****! Peace!" This is a must-see...and full of nudity!

BUY THIS DVD

Fans of porn legend Traci Lords will thrill to see her deadpan hysterical turn as "Bubbles," who works bachelor parties till she gets her big break via Zack & Miki. Real-life XXX star, helium-voiced Katie Morgan, will win you over as anal-lover Stacey (above right). This cutie can really act!

Fresh Flesh

"Edgy" girls *unwrapped*! Spirited Kate Winslet goes from Auschwitz to afternoon delight, uninhibited Elena Anaya gives major O-face, Bai Ling...is *Bai Ling*.... There's a colorful world of sexy outside the "usual" boxes.

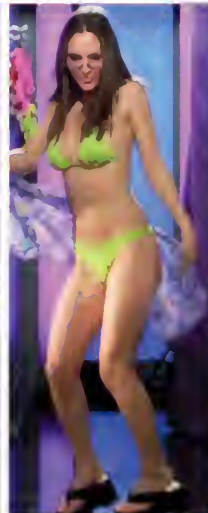

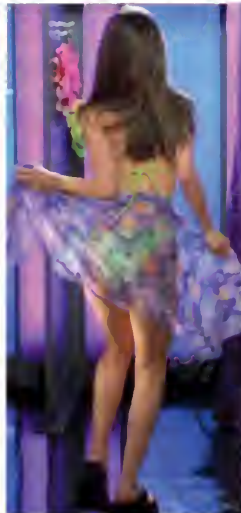

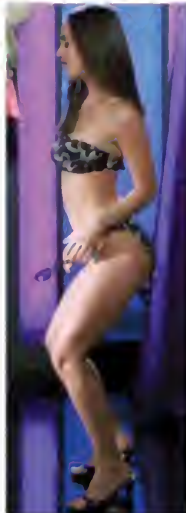

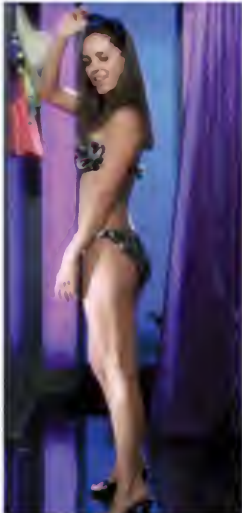

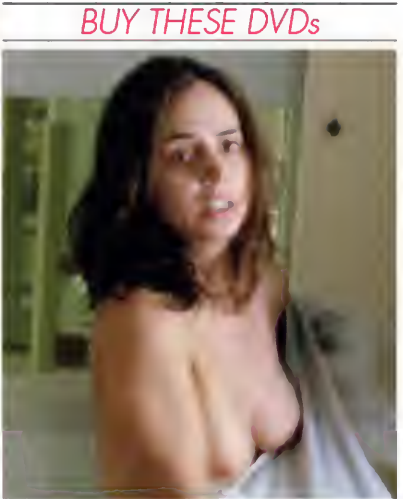

ELIZA DUSHKU

THE DAO OF DUSHKU: "I love leather and it's great to be a bad girl at times. But there is a time and place for everything. When I'm with Grandma, it's flowers, and when I'm out on the town scoping guys, you know...."

"A,B,C,D...T&A!": She claimed, "You have a better chance of seeing God than me naked," but husky-voiced "on-the-edger" Eliza goes topless for the first time in *The Alphabet Killer* ('08, below & right, & opposite, top), a creeper based on the real-life double-initial killings in Rochester, NY. Eliza is Megan, a schizophrenic detective (she sees scary stuff). She'll leave you dreamin' of...*Tru Bailing*.

BUY THESE DVDs

DYIN' FOR DUSHKU: In *The New Guy* ('02, above), Eliza plays a cheerleader who compels a guy to use this pickup line: "Maybe sometime if you would like to drink coffee near me, I would pay." If you meet Eliza, we hope you man up better.

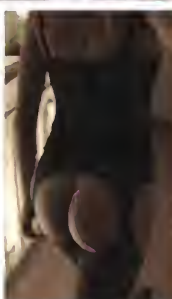

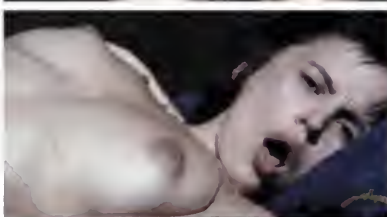

ELENA ANAYA

EXPLICIT ANGEL: Her graphic-sex-heavy splendor as Belén in *Sex and Lucia* ('01, opposite, bottom) seared gamine Elena's sultry-innocent arrival into the "Sexy Sweeties from Spain" film elite (Penélope Cruz, Paz Vega, etc.), though her raw, orgasm-filled performance proved Anaya that bit *more* daring, *more* European, and seemingly more comfortable with going *there*. *Savage Grace* ('07, rest) stars freckle-face thesp Julianne Moore as a mean, *mean* mama with a very *sick* mode of maternity, but it's Elena's bared-to-the-bone-for-boning performance as seductress Blanca (she beds a psycho son *and* his demented daddy) that's savagely *racy*.

BUY THESE DVDs

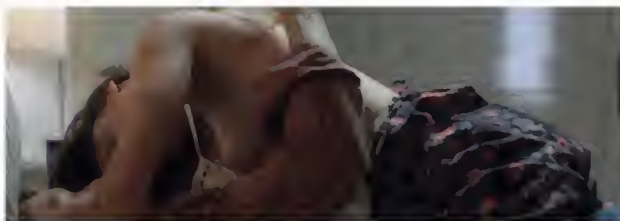

SEXY BACK...AND FRONT!: She's the hard-to-get-though-ultimately-thoroughly-gettable vixen in the high-chic, Barcelona-shot video for Justin Timberlake's mega-hit single, "SexyBack." Clearly, with Elena on hand, the sexy gets totally *brung*.

ROBIN TUNNEY

OPEN ACTRESS: In *Open Window* ('06, spread), Robin plays Izzy, a happily married woman who's working in her photo studio late one night when the worst happens. This genuine film follows the aftermath of the crime & Izzy's attempts to heal herself. Fans of Robin's nuanced film career & her TV work on both *Prison Break*, as Veronica Donovan, & *The Mentalist*, as Teresa Lisbon, will admire this distinctive actress' brave performance. Of her departure from *Prison Break*, she says: "...the character had its run, and I was really happy to be part of a show that was so successful and that people loved so much, but there was really nothing else for her to do."

BUY THIS DVD

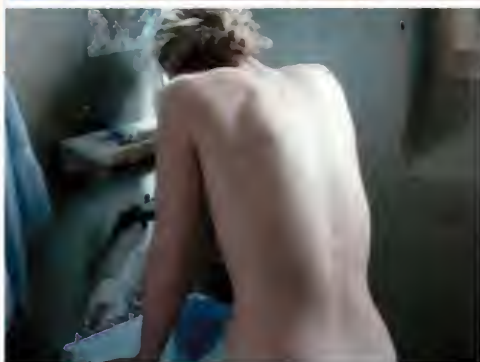

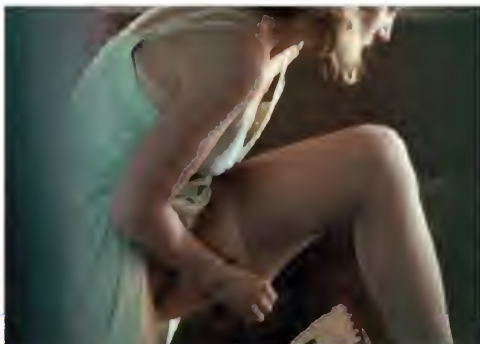

TUNNEY'S GOT THE BUNS: Sing that to the tune of Elton John's "Benny and the Jets"...& you just *might* succeed in warbling your way into Robin's *wormhole*! She's in Frou Frou's video for her song, "Breathe In," so you can try that one, too.

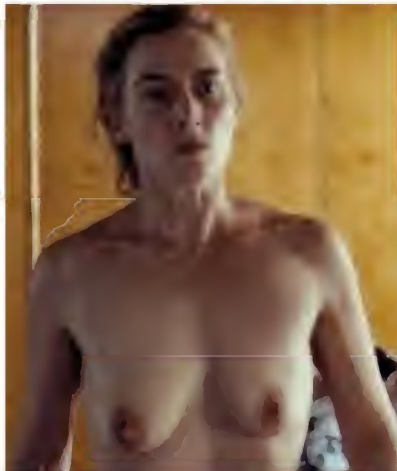

KATE WINSLET

LEARN TO READ, GET LAID: "I can't live without you. The thought of leaving you kills me. Do you love me?" young, dumb & sexually eager Michael asks his terse, elusive & sexually insatiable older mistress, Hanna Schmitz (Kate) in 2008's haunting blend of straight-from-the-loins erotica and shadler questions and answers, *The Reader* (spread). Virgin Michael meets Hanna while he's blowing chunks outside her post-WWII German apartment. Post-uke, Hanna's naked 'n' determined to climb astride the hung young'un. When the torrid Teutonic twosome isn't playing *hide the knackwürste*, Michael reads aloud to Hanna. Secrets unfold....

BUY THIS DVD

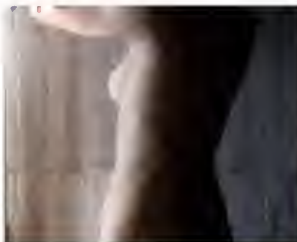

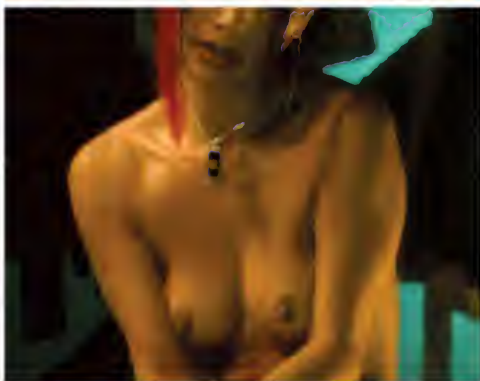

CANDID COUGAR: Kate's raw, carnal portrayal of Auschwitz guard Hanna won her the Golden Globe for Best Performance by an Actress In a Supporting Role. On Oprah, "the Big O" praised Kate's *real boobs' realness!* Kate gets *all* the kudos.

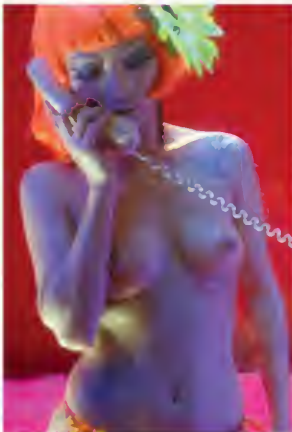

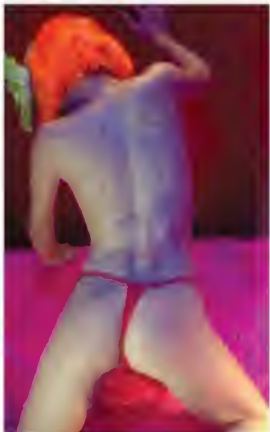

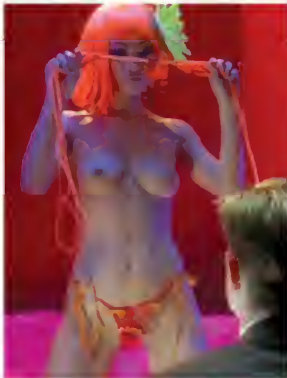

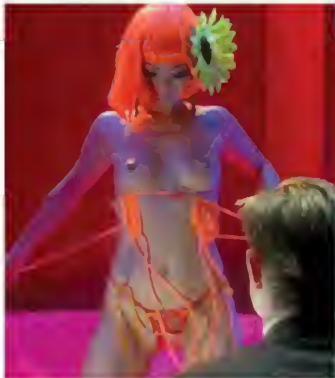

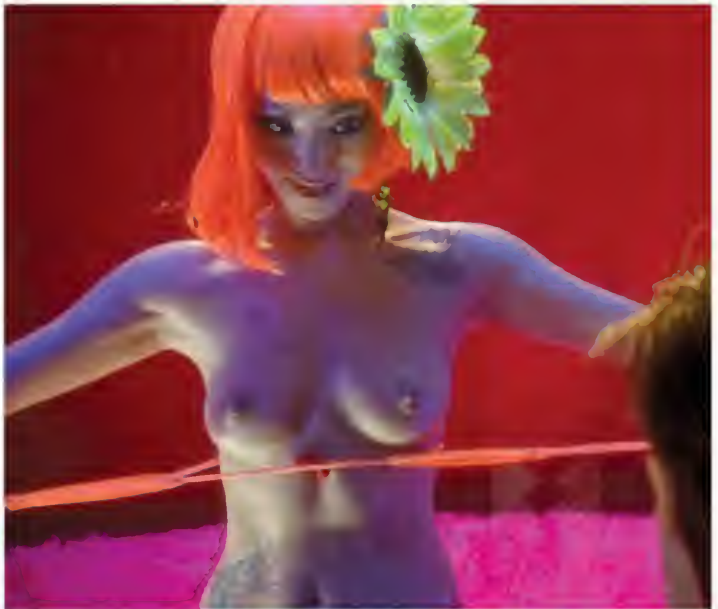

BAI LING

BAI BITE: "Believe me, where I come from—death is just an upgrade." (As Michelle in *The Gene Generation*)

CRAZY LIKE A...FOXY!: Any movie that involves Faye Dunaway's recombinant DNA transforming her into a sloppy mess of writhing snakes is worth watching. So it goes with *The Gene Generation* ('07, here) which, as it stars Bai, is worth *buying* if you're *Bat-sexual* or—*MUCH* more prominent—a drooler for her *huge*, fireplug-sized nipples. Add steampunk stylings, tons of black leather, a "healing" glove that becomes a weapon in/on the wrong hand, and all is complete with Bai all sweaty and good with a gun.

BUY THESE DVDs

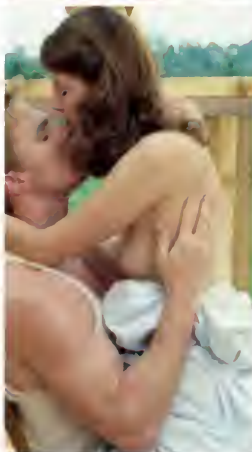

STARVED FOR ATTENTION?: Playing a carrot-top-wigged, wacky stripper in *Edmond* ('05) & as evidenced by her personal life (arrested for shoplifting at LAX in 2008), Bal's...*different*. Now rumors abound that she sucked face with Mickey Rourke!

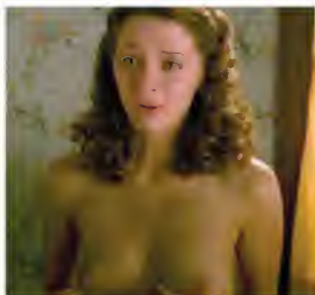

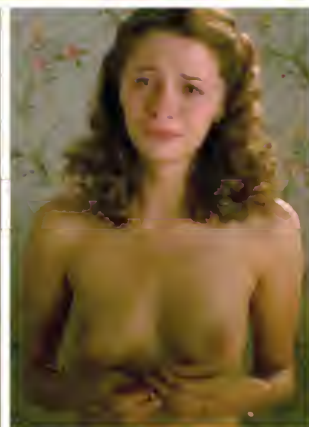

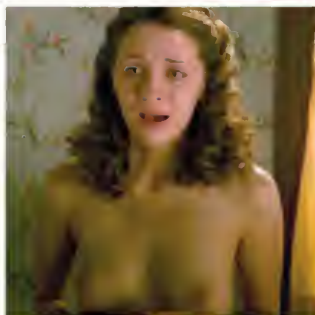

MISCHA BARTON

NAUGHTY NYMPH: Mischa Anne was sentenced on April 10, 2008 to three years of unsupervised probation stemming from her DUI arrest in December of 2007. We hope she gets it together.

CLOSING THE DEAL: London-born Mischa was one of this decade's definitive California girls on the Fox teen drama *The O.C.* Maturing into a boho starlet of some appeal, both somewhat sordid and initially sexy, Mischa took her talents to the big screen most remarkably in the World War II drama *Closing the Ring* ('08, spread). As a soldier's wife, she bares her scrumptious *chest-crumpets* & soft seat, giving her man *wienie pleasures* worth fighting for.

BUY THIS DVD

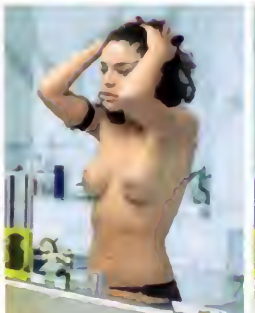

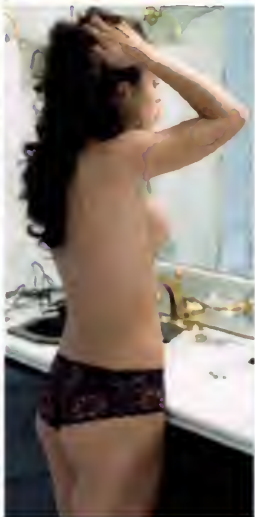

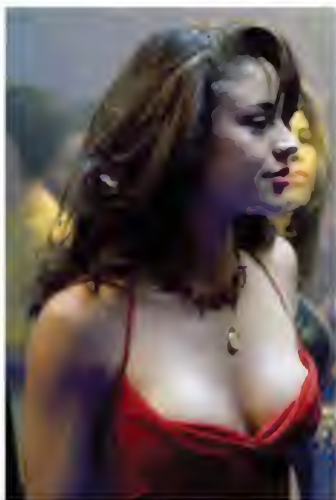

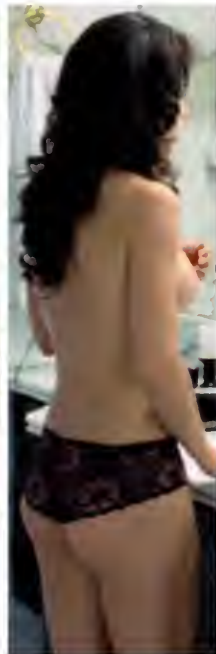

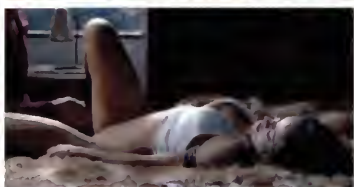

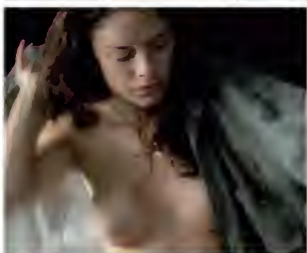

TEARS & TITENS: "I will always love you, Teddy. I'll be yours till the day I die, I swear," Mischka vows as young Ethel Ann. Unfortunately, this doesn't stop her from entering into a loveless marriage with another dude. Just enjoy the *nude*.

FLORA MARTÍNEZ

WHEN COLOMBIA MET CANADA: Flora is the grade-A finest, most beautiful, *bountiful* hybrid of a "Maple Leaf Mom" with a "Coffee Bean Papi," making for a *café con leche curvaceous cutie* without equal! Born In '77 In Montréal, but raised In Bogotá, Flora Ignites the screen with her red-hot presence as the titular character of *Rosario Tijeras* ('05, spread), playing a high-class hooker & hitwoman (*sicario*) working Medellín in '89, during the death wish dazzle of its coke-fueled madness. Flora, as Rosario, always kisses her targets before killing them, and her surname is Spanish for *scissors*.... Expect *big* things for this future A-list angel.

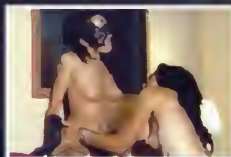

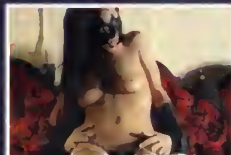

BUY THIS DVD

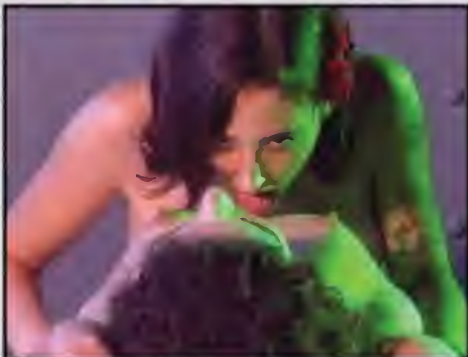

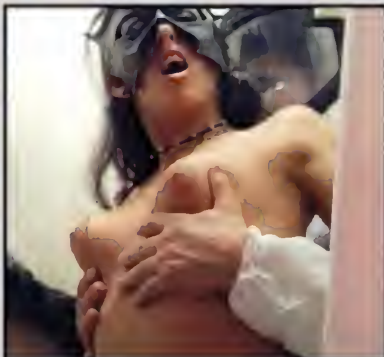

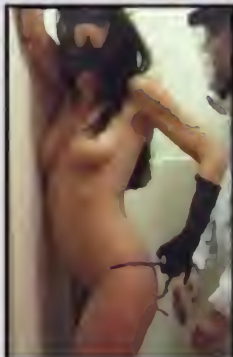

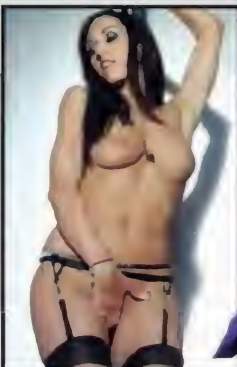

SCORCHINGLY SEXY SONGBIRD: This radiant bombshell is also a singer of velvet-soft style & talent. Check out her sensual vibes at myspace.com/floramartinezmusic. She'll entrance you even more with her soft, dreamy, wantonly wistful voice!

BATBABE

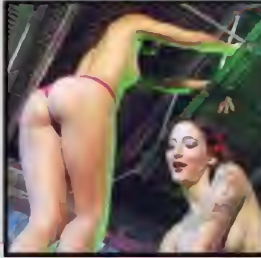

THE DARK NIGHTIE

Seduction Cinema unleashes their sexy spoof powers once again with *Batbabe: The Dark Nightie* (2009). Instead of the Caped Crusader, enjoy an *Undraped Crusader* in the knockout form of Darian Caine. By day, she's pole-dancing peeler Wendy Wayne, but once darkness falls on Bacchum City, our hot, hot heroine dons what little exists of her costume and battles clown-faced porn thief *The Jerker* (Robert Manadar).

BUY THIS DVD

Tattoo-boobed Molly Heartbreaker's on gland as bisexual D.A. Henrietta Bent, who does a dude and wonder-nippled Rachel Balls (Jackie Stevens). Girl-girl action, naturally, takes a front seat in Batbabe, so don't feel the need to even bother asking yourself: "WHY SO LEERIOUS?"

Beauties of the Boob-Tube!

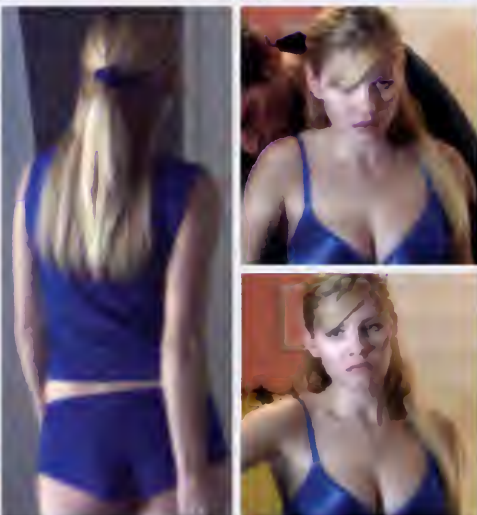

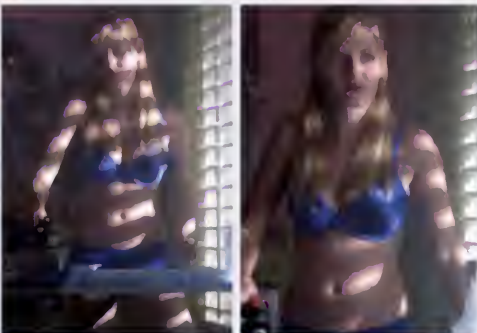

These days, who has the \$ for a movie ticket, let alone twenty bucks' worth of popcorn, soda & stale Milk Duds? Stay home with these "free" TV *Fleshables* & go easy on the wallet & hard on...your *Milkable Dude*....

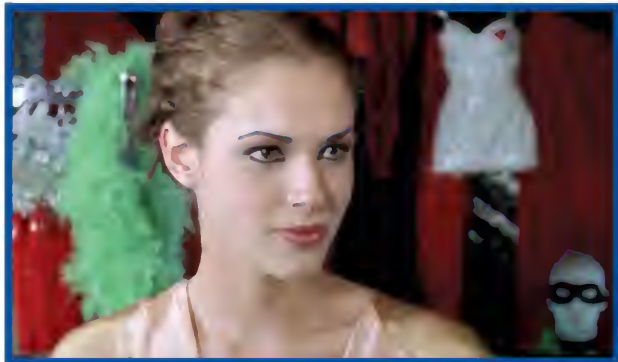

ELISHA CUTHBERT

KIM from 24

DE-ELISHA-LICIOUS!: As the daughter of Jack Bauer ("The Klefer") on *24* (below), Elisha got pulses pounding harder than the show's torture scenes. The 5'2" temptress cemented her larger-than-lust presence on the big screen as a porn star in the title role of the coming-of-age comedy *The Girl Next Door* ('04, top right) & added to her CV (curriculum *vixen*) with the naughty-girl thriller *The Quiet* ('05, right). See her next in *The Six Wives of Henry Lafayette* in which, surprisingly enough, Tim Allen plays her dad. No *Improvements* necessary for this carnal Canuck, who's definitely one of Canada's finest exports, *ever*—better, even, than hockey & poutine!

AMANDA RIGHETTI

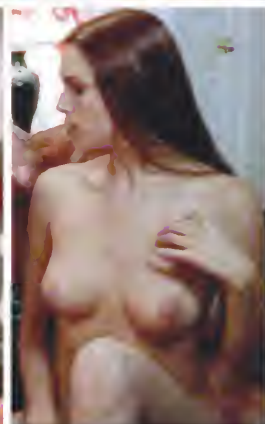

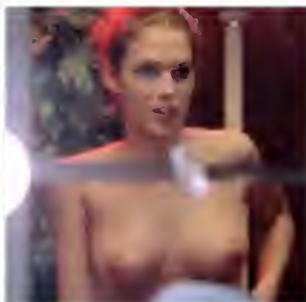

GRACE from **THE MENTALIST**

SHE MUST BE MENTAL: "Guys blow my looks up more than I ever would. I guess I have issues with myself. I don't think I'm as pretty as everybody thinks."

YOU SAY SPAGHETTI, WE SUGGEST...RIGHETTI!:

She plays Grace Van Pelt on *The Mentalist*, but we're "sintimental" about her *pelt*-presentation in the "seedy underbelly & sexual deviance" serial killer flick *Angel Blade* ('02, all), seeing as 'Manda plays a lingerie model! Whatever your take, Righetti-wise, she's perfect from every angle. So catch her being chased (to death?) in the *Friday the 13th* remake (opens this month!) as Whitney Miller.

REBECCA ROMIJN

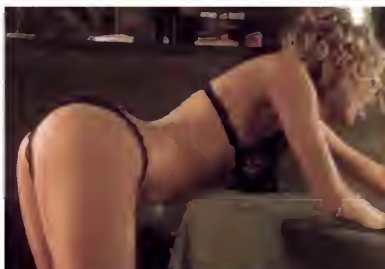

ALEXIS from **UGLY BETTY**

SECRETS OF THE "JOLLY BLONDE GIANT": "You know, in my early twenties I wondered if I was interested in women and so I kind of, well...did my homework. [Grins] And it turns out I'm pretty straight."

DUTCH MEAT: Supermodel/accomplished actress Rebecca is 5'11", slinky, sophisticated and yet, somehow, earthy, *succulent* & *real*. On ABC's *Ugly Betty* (below), she plays Alexis Meade, a gorgeous, sultry...*transsexual*! No willy-worries, though. As seen in *Rollerball* ('02, top right), some of it might *sometimes* be Maybelline, but the *golden honey pie* & *milk jugs* are 100% *nature made*.

BUY THESE DVD's

SO GOOD AT BEING BAD: Her unforgettable skintease in *Femme Fatale* ('02, this page & opposite, bottom right) proved that though Rebecca's a serious actress with chops, her bangin' bod wrapped in black lace churns up men's soul-slop.

BOTI BLISS

MAXINE from **CSI: MIAMI**

EARTHY GIRL: "I just wanted a regular house and indoor plumbing. I just wanted to be normal. Now, I realize what a gift it was. Now, no matter what, I will always be down-to-earth. All I need is a tarp and some twine and I can survive." (On being raised by hippie parents...in a teepee!)

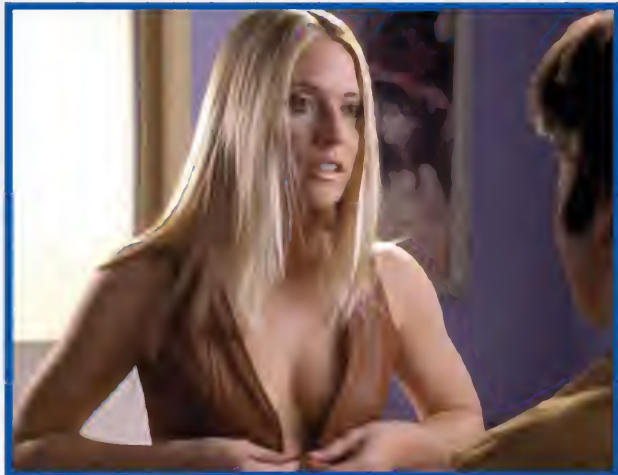

BLISSSED OUT!: With her upturned nose, gleaming eyes, & strong, sexy air of confidence, 5'8" Boti fits right in among the steamy intrigue on *CSI: Miami*, where she plays Laboratory Technician Maxine Valera on the smash CBS series. Boti as DNA expert will have you leaving trails of your *own*; get the black light!

BUY THESE DVD's

BOTI WORK: Investigate Boti's blissfully bouncing, bare *bo-bo's* in *Ted Bundy* ('02, opposite, right column) & *Dorm Daze* ('03, opposite, top & bottom left). Brave her "outta this world" flesh in *Pulse 2: Afterlife* (08, above). Boti will give you a *boney*.

EMILY PROCTOR

CALLEIGH from **CSI: MIAMI**

PROCTOR'S P.O.V.: "It's not a bad idea to be single, so I can concentrate on my job."

BAZOOKAS & BAZOOKAS!: On CBS' hit *CSI: Miami*, ebullient Emily plays Calleigh Dusquesne, a ballistics expert (nicknamed "Bullet Girl"). Emily describes herself as a "silly, goofy" gal, though it hardly shows in her dead-serious portrayal of dedicated crime-solver Calleigh. Em showed off her "pink, snub-nosed bullets" in HBO's *Breast Men* ('97, all), a movie about the 2 docs who pioneered breast implants. As Laura Pierson, Em visits the docs & asks for big boobs—just like the silicone ones they sewed into her sister!

MELANIE LYNSKEY

ROSE from TWO AND A HALF MEN
FROM WINSOME...TO WHISTLEBLOWER'S WIFE!:

This scrumptiously zaftig Kiwi is the first to kiss equally scrumptious & zaftig Kate Winslet on screen! While Kate racks up nominations & awards, Mel remains a down-to-earth darling who shines in character parts in films like *Coyote Ugly* ('00, above & top right) & *Park* ('07, below). Her cuteness & comedic timing on *Two and a Half Men* have lured legions of lusty fans of her luminous lusciousness & stunningly pretty face, but this September, 2009, expect to see her reach Kate's rarefied echelon playing Matt Damon's wife in his Steven Soderbergh-helmed blockbuster, *The Informant*. Go, Mel!

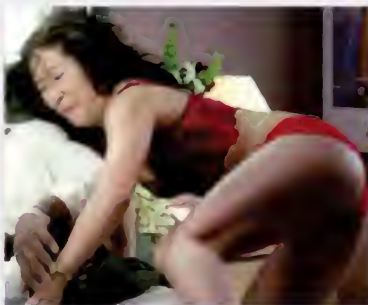

SANDRA OH

CHRISTINA (from **GREY'S ANATOMY**)

SUPER SANDRA!: "I grew up never seeing myself on-screen, and it's really important to me to give people who look like me a chance to see themselves. I want to see myself as the hero of any story. I want to see myself save the world from the bomb."

OH-FACE: Considering the relative eye candy on *Grey's Anatomy* (below), Sandra, as Christina, takes something of a backseat to her more "Hollywood" co-stars. But make no mistake—this Canada-born thesp is lithe beneath her lab coat. For a full-on blast of Sandra at her sexiest, check out the all-star naked-stripper drama *Dancing at the Blue Iguana* ('00, rest). Sandra's brown nipples are a slight

SANDRA'S SENSUAL SELF-IMPROVEMENT OPINION: "I think all women should learn how to strip. It's a really healthy, extremely challenging thing to do." In *Iguana*, Oh boldly bares her teensy titlets & ornate tramp stamp! How 'bout the (tip)?

KATHERINE HEIGL

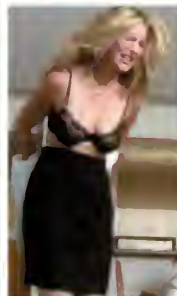

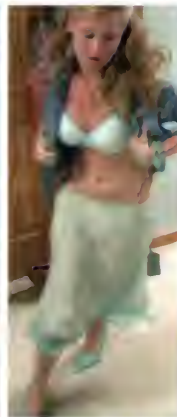

IZZIE from **GREY'S ANATOMY**

JACK MORMON HIJINKS: "If I were a still super-practicing, strict Mormon, then people would be a little more cautious around me, but unfortunately, I'm fairly vulgar, and I smoke and I drink coffee and I drink alcohol and I love to talk about religion."

IZZIE TIZZY!: Naturally curvaceous Katherine's given viewers of the ABC medical drama *Grey's Anatomy* (here, above & below) plenty to scrub it up into a lust-lather over as Dr. Isobel "Izzie" Stevens. She immediately proved to be the show's *bust-out* star, and has since parlayed her awesome *Anatomy* into big-screen stardom in comedies such as *Knocked Up* ('07) & *27 Dresses* ('08).

SIDE BOOBAGE: For a scorching side-view of Katherine at her most out 'n' amazing, see the little-known romance *Side Effects* ('05, this page & opposite, right column), where Helgi's *Hindenburgs* will effect you—*straight and forward*.

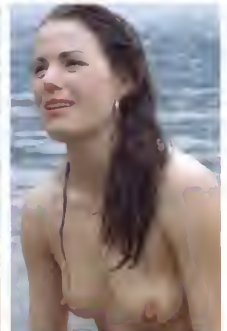

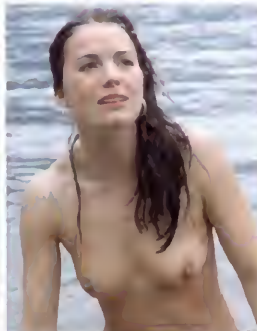

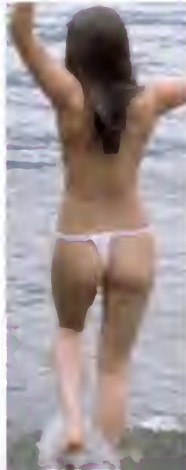

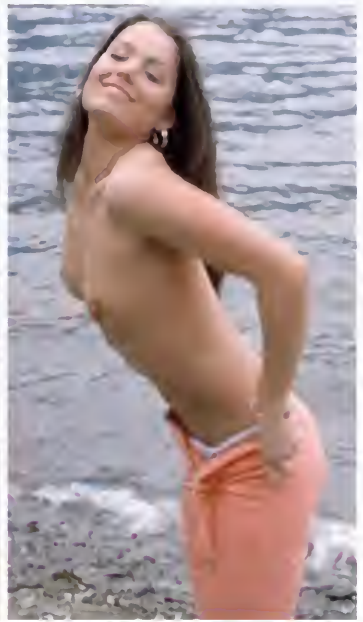

ERICA DURANCE

LOIS LANE from **SMALLVILLE**

WE WANT "GILLIAN": "I'm fairly introverted, but when I do stuff like a *Maxim* shoot, there's a side of me I call 'Gillian'," 'fesses able-bodied Erica, who plays Lois Lane on *Smallville* (below), which chronicles the life of Clark Kent, strange visitor from another planet, as he becomes Superman. In the 4th season, young Lois came to town & *minxed* the Man of Steel's mega-babe mix. Don't leap over tall buildings in search of her nude, though. Check Into *House of the Dead* ('03, rest), where Erica strips to a thong for a dip, revealing her super-mamms. Up, up & away goes yer *albino-custard*, leavin' you sapped as Superman, himself, after a kryptonite kinda night.

ERICA IN ECSTASY: *Dead* found dishy Durance dicked around by zombies, and directed by no less than the notorious Uwe Boll. '09's *Ecstasy* (based on the Irvine Welsh novel), should get rave(r)s. Bet "Big, Blue Boy Scout" looks *awesome* on E.

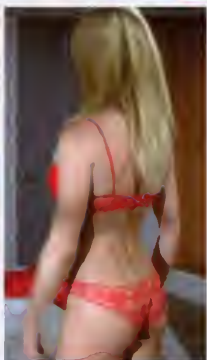

NICOLLETTE SHERIDAN

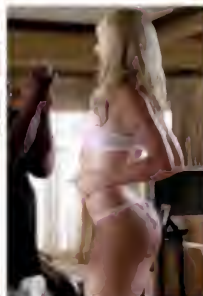

EDIE (from **DESPERATE HOUSEWIVES**)

TOOTSIE "POP": "He was officially my stepfather, but I always thought of him as my daddy." (On the late, great Telly Savalas, who's immortalized as lollipop-lover Lt. Theo Kojak)

"EDIE-BLE!": "Ageless" Nic stands out even among the monumental MILF lineup on *Desperate Housewives* (above & below). As serial divorcée Edie Britt, she stirs up *coozy chaos* as "the neighborhood slut." Nicolle brought that same steam to her bra-'n'-panties scene in the big-screen comedy, *Code Name: The Cleaner* ('07, opposite, all), while in *Raw Nerve* ('99, right), she lets a brutha *tongue-waggle* her...Wisteria...Labi...

BUY THESE DVD's

NOT-SO-DESPERATE MUFFDIVE: Having Telly Savalas for a stepfather must've taught Nic to appreciate a card-carrying member of the Players Club, but she can't resist a *biacial anchovy-suckle* from a down (on his knees) G. who *dines at the Y*.

Cuties on Cable!

Working on TV *after* netting a film career *used* to signal the abysmal plummet of an actor's appeal. But with TV series getting meatier *and* mightier, today's movie dolls jockey for primetime positions as *Boob Tube Babes*!

JOELY RICHARDSON

JULIA from *NIP/TUCK*

BORN WITH "IT": Her mom is Vanessa Redgrave, and her sister is Natasha Richardson, which makes Liam Neeson her brother-in-law! Plus, she's Lynn Redgrave's niece.

HIP/PLUCK: As the leading lady of cable's *sexsational*, *Iposucked* show, *Nip/Tuck*, Joely brings talent, tons of class & ethereal beauty to a show that tends to wallow without her. As Julia McNamara, she's the perfect, sane presence in a world built on a mania for *imperfections*. Here, in *Maybe Baby* ('00), she glows as Lucy, a Brit babe anxious to *have* a Brit babe who endures the indignities of infertility, declaring: "There's nothing I like more than a gaumless, adolescent youth peering into my splayed vaginal" Volunteers?

"LADY NATURALLY": Joely plays Lady Constance Chatterley In the '93 BBC adaptation of D.H. Lawrence's *Lady Chatterley's Lover* (here). The book was banned due to its graphic sexual content...which is *precisely* why you'll enjoy the movie.

TONI COLLETTE

TARA from UNITED STATES OF TARA

MANIAC MILF...OFF HER MEDS!: Showtime's breakout hit *The United States of Tara* showcases Aussie mega-talent Toni in the title role. A true *carnal* chameleon when it comes to changing personae, Toni's Tara is a suburban mom with dissociative identity disorder, or DID. Her "alters" include: a provocative teen girl, a trucker/Nam vet (he's also a man) & a 1950's-style homemaker...all bottled up inside happily married suburban mom and artist, Tara. Check out what *comfy-with-her-curves* Collette has *down under* via her full-frontal turns in *Lillian's Story* ('95, top right & bottom left) & *8 1/2 Women* ('99, bottom right). TOUGH TITTIES: Before "Suburban Sibyl," Toni! brazenly, *bralessly* touted sensuality & sass as tough-cookie Sandy, an expert on mineral mining...who dons men's trousers in *Japanese Story* ('03, above) to heft her Japanese lover's *family jewels*....

JULIE BENZ

RITA (from **DEXTER**)

BEAUTIFULLY BENZABLE!: Blonde, broad-smiled and as built for business as anything emanating from the steel mills in her hometown of Pittsburgh, Pennsylvania, Julie's a shining beacon of brazen eros. As the clueless wife of the titular secret serial killer on Showtime's hit series, *Dexter* (below), Julie adds sexy vigor & scorching flesh to the show's black humor & gruesome undertakings. For a delectable double-dose of her boobs & butt, check out the thriller *Darkdrive* ('96, rest), where this former U.S. Championship Ice skater will make you melt in a succession of sex scenes. Don't miss the headlights & back-bumper on *this* Benz.

BUY THESE DVDs

THIS PENAL COLONY REFORMS THE PEEN: *Darkdrive* is set in a futuristic world where crooks serve their sentences in a virtual reality "world" designed by a shady company, Zircon. With the prospect of Julie as a celly, crime is *worth* the time.

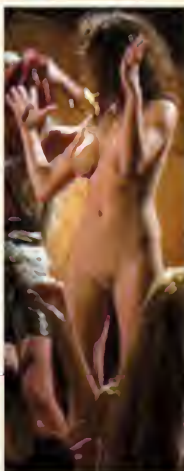

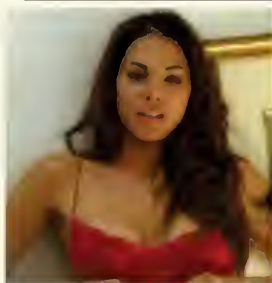

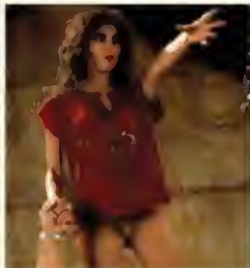

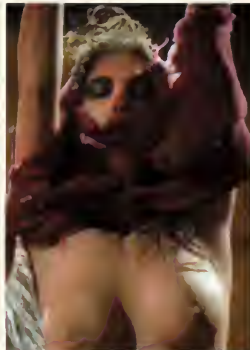

MORAN ATIAS

INEZ from CRASH

MORAN MAKES MEN MEATY-BONER MOANERS:

Born in Haifa, Israel in 1981, Moran may be the best pro-Israel argument the country has these days. After her English-language debut in giallo maestro Dario Argento's finale to his witch trilogy, *Mother of Tears* ('07, right, all, & below, bottom panel), you'd have to be a moron *not* to flend for more of her flesh. Presently, mousy Moran's been featured as Inez on the Starz Network's *Crash* (below), the densely plotted series based on the Academy Award-winning movie about racial tensions in L.A. On the big screen, see her next playing Ronit in 2010's *Kavod (Honor)*. Oh, to really be on her...

MÄDCHEN AMICK

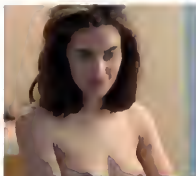

JANIE from **CALIFORNICATION**

FROM HER TALENTED LIPS: "You have to bite up the stem to make it limber. Bite it until it isn't stiff." (Mäd on how to tie a knot in a cherry stem.)

AMICKABLE!: Few beauties have had the career span of 38-going-on-39 Mädchen. Now wowing *Californication* (here, below) fans as the frequently bikini-clad Janie Jones, MILF-title-worthy Mädchen first drove men mad in '90 as waitress Shelly Johnson on the cult-classic series *Twin Peaks*. She bared her own highly suckable *twin peaks*—and the *furry valley* below—in *Dream Lover* ('94, rest), where she toyed with James Spader. No small feat, that.

BUY THESE DVDs

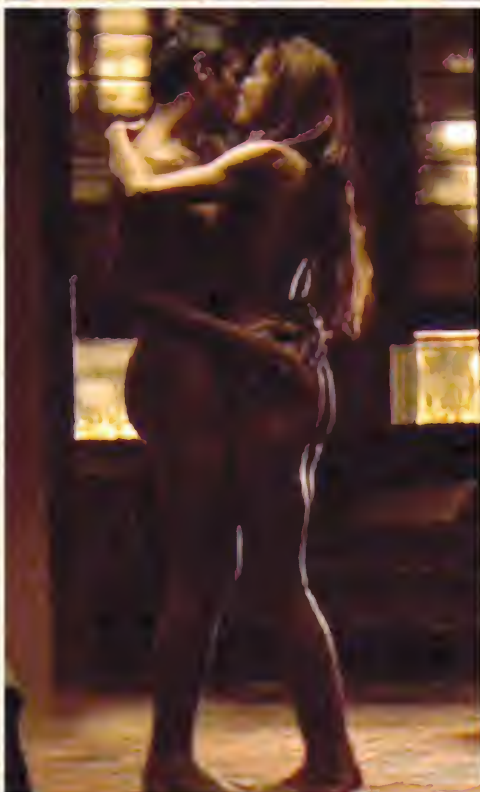

RICKROLLED?: She got blonde & played wife to Christian Slater's Jekyll-'n'-Hyde-y efficiency expert/lethal operative Edward Albright on '08's *My Own Worst Enemy*. Trickler? Her appearances in videos for Cheap Trick, Dweezil Zappa & Rick Astley!

NATASCHA McELHONE

KAREN from CALIFORNICATION

CALIFORNICATION: With her intense, piercing-yet-dreamy eyes and sculpted facial features, Natascha is arresting at first glance. To then ponder the sleek, 5'10" frame and slinky grace of this British beauty, is to be utterly captivated. No wonder, then, that Natascha stands out so powerfully among her frequently naked, *very frisky* female castmates on Showtime's David Duchovny-tool-fueled sex-addiction series, *Californication*. Natascha's a knockout clothed or unclothed, but do take in her nubile nudity in *Surviving Picasso* ('96, below) & as the ultimate "heavenly body" in *Solaris* ('03, above & right). Natascha will never fail to make you McElhorny.

KELLY CARLSON

KIMBER from NIP/TUCK

ORGASM FAKER?: "Fortunately, I have not had to do that. But I don't know that I would fake one. I always think that a guy can tell. I just take the blame. 'I'm just not...my chemistry's off. Oh, and I'll never be calling you again.'"

KIMBER LIKES THICK TIMBER: Flaxen vixen Kelly's the emboobment of *freakalicious*, fleshy *fake* on the taboo-busting FX plastic surg' surgeon, *Nip/Tuck* (below). As Kimber, she's done doggy-style, engaged in gooeey girl-girl action & enjoyed wild kinks in a number of sexnarios. *Starship Troopers 2* ('04, right) features Kelly wetter than bug splooge when not battling glant space insects.

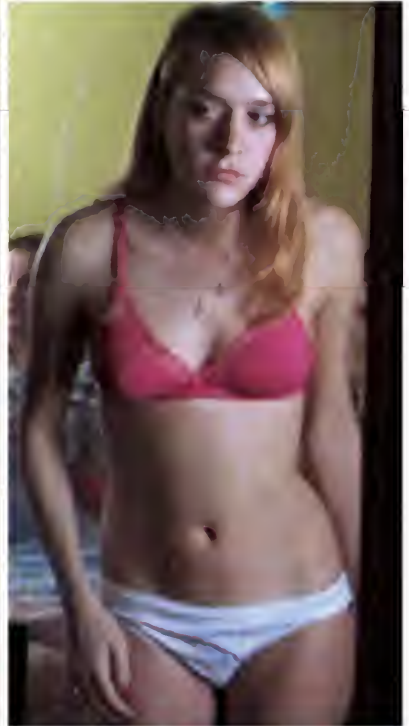

CHLOË SEVIGNY

NIKKI from **BIG LOVE**

MORMON MILF: As "Sister Wife" Nicki Henderson, one of multiple wives on HBO's *Big Love* (below), Chloë almost always keeps her sexuality stuffed up inside high-collared-blouses & floor-length skirts. But, note—we said "almost," as she *has* bared her juglets. Nudity seems to come naturally to sly Sevigny: boob baring in *Gummo* ('90, bottom right) & *Boys Don't Cry* ('99, opposite, top half). She bares bosom *and* bush while gettin' done (as a nuni) in *3 Needles* ('05, top right) & her most *notorious* nude scene to date remains her open-throated, on-camera, hardcore oral gratification of Vincent Gallo in *The Brown Bunny* ('03, opposite, bottom).

BUY THESE DVDs

HOLY MOLE-Y SASSY BOOB!: Prior to her acting career, Chloë Interned at the alterna-gal magazine *Sassy*. Maybe that's where she knew: "The one thing I wouldn't be able to live without is tweezers." Sevigny suckers live for her *mound-mole*.

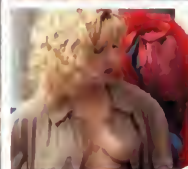

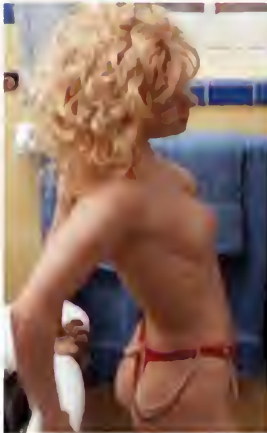

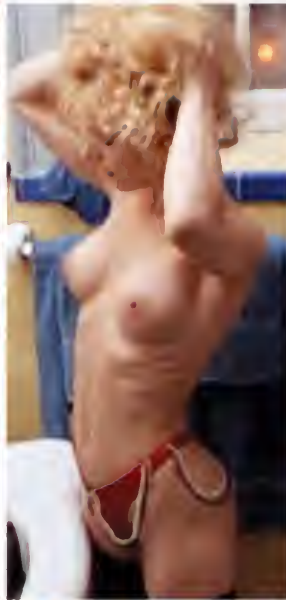

MELORA WALTERS

WANDA from **BIG LOVE**

MELORADORABLE: HBO's fundamentalist Mormon polygamy drama *Big Love* mounts Melora as matriarch Wanda Henrickson, a role she imbues with a sad-eyed, sensual charm. She put a more straight-ahead erotic spin on her part in the '93 ensemble piece *Twenty Bucks* (spread). Her character's name says it all—"The Stripper/Funeral Director"—but you'll feel *lively* (albeit, *stiff*) as Melora reveals her buoyant *bajugs*. She played George Costanza's bikini-clad date on "The Hamptons" *Seinfeld* episode; her top drops in the pool and Kramer exclaims, "Yo Yo Mal" Awestruck Jerry then follows up with, "Boutros Boutros-Ghali!" Boobs=man gibberish.

BUY THIS DVD

MELORA THE SEXPLORER: Multitaitented Melora, who was born in Saudi Arabia, grew up with a passion for dancing and participating in sports (hence the knockout body). This masterpiece-of-ass is also a highly regarded painter.

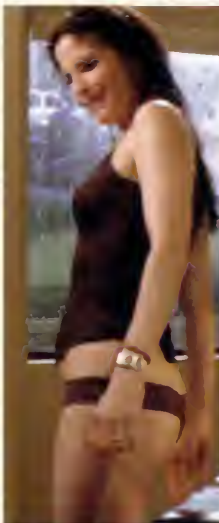

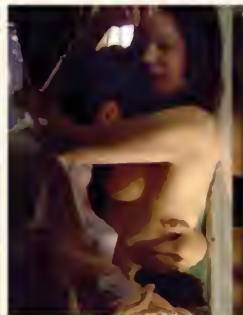

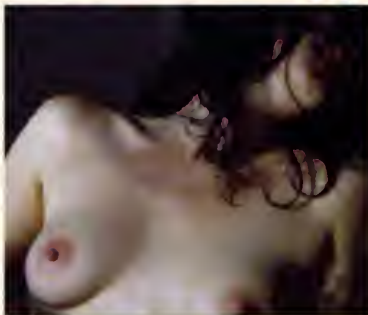

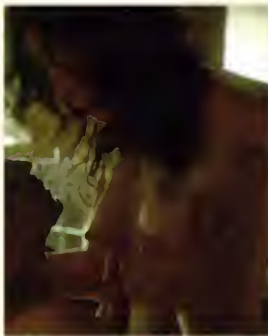

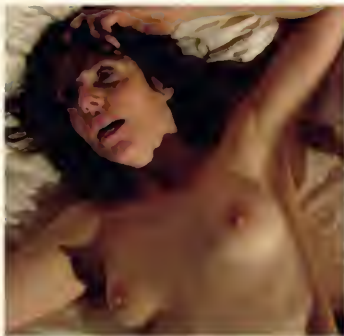

MARY-LOUISE PARKER

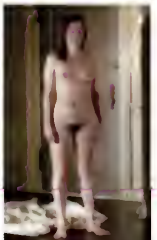

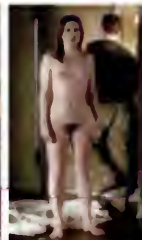

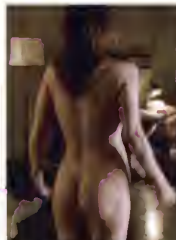

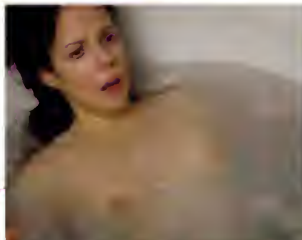

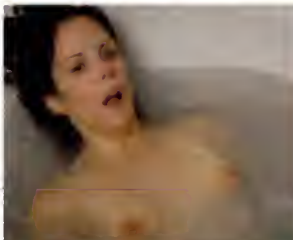

NANCY from **WEEDS**

WORDS FROM THE WHITE WIDOW: "Dude, I'm naked every time I turn around on [*Weeds*]! I'm, like, 'Hey, when do I get to wear clothes?' But I don't think of nudity as being outrageous."

420 FOX: A heady belle from South Carolina, Mary-Louise brought heat to films throughout the '90s 'fore switching to TV this decade as ballsy *bongshell* Nancy Botwin, an herb merchant & suburban single mom, on Showtime's "pot-com" *Weeds* (spread). ML's *udderly* intoxicating—never more so than when she bared her tasty *kind buds* in a bath scene. Catch her return to film in '09's *Solitary Man*, starring opposite rarely solitary Michael Douglas.

BUY THESE DVDs

DEALS GRASS ON TV, GROWS OWN LAWN IN REAL LIFE: For HBO's *Angels in America* ('03, above, right), ML went furtastically full frontal. Her retro *lap-rug* merits the affectionate nickname, *Halry-Louise* Parker. Mmmm...MILF muff...

We Got Bush!

If a "serious actress" does a full-frontal nude scene, you know she's got guts, and there's something *extra-arousing* about that "chance" she takes. The "pinup-in-motion" notion *makes* the magic...and a *nice muff* never hurts!

MONICA BELLUCCI

WORDS YOU NEVER WANT TO HEAR FROM HER HEART-SHAPED LIPS: "Neanche se lei fosse l'unico uomo sulla terra!" ("Not even if you were the last man on Earth!")

"CIAO, BELLA!": She's 44 and has been a bona fide MILF for some time now (she has a daughter with her French actor husband, Vincent Cassel), and Monica *still* has more beauty in her pinky toe than some actresses can pull together for a red-carpet event! Her luscious "Italianate Incarnate" appearance and charisma made her as perfect as espresso after a fine meal in *L'Ultimo Capodanno* ('98, this page & opposite, top) & *Malena* ('00, opposite, middle).

BUY THESE DVDs

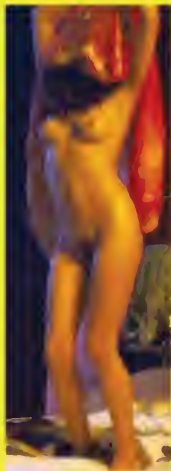

SIMPLY IRRESISTIBLE: Sadly, that's what she was in *Irreversible* ('02, above). Hollywood life, though, *she* resists stridently: "The Industry wants all these young people. They also like a different sort of woman (to me). I will never be skinny."

NATALIA AVELON

FROM HER POLE PUCKER: "The hippie way of living, with the philosophy of music, with trying new things in their own skin... everything was so beautiful and easy!"

BORSCHT PELT?: *Eight Miles High* ('08) stars Polish sex powerhouse Natalia as Germany's swinging '60s *sinsation*, Uschi Obermaier. Given the revolutionary & sexually daring setting, Natalia's liberated (from clothes) & free with her lovin'. Her bod's all natural, and true to the times when it comes to the *bountiful bush* betwixt her thighs. The *real* Uschi was so smitten by her portrayal, the two beauties have become close friends. *Mounds the merrier!*

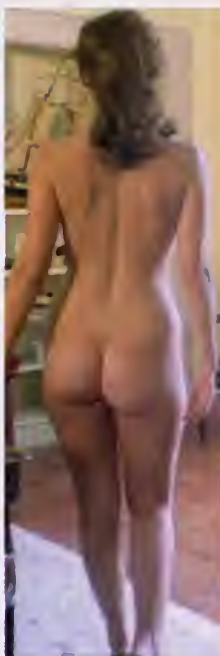

MURIEL MONTOSSÉ

MON-TOSSÉ-HIM-OFF! After sexy turns in the cannibal gem *Devil Hunter* ('80) and the art film *Quartet* ('81), French bonbon Muriel put her naturally honey-hued pubes front and center in *Cecilia* ('82, all). As the erotic adventuress of the title, Muriel relentlessly reveals her *perky tittables*, *palmable posterior* and *golden goo-gorge* while engaging in voyeurism, exhibitionism, nude driving, bisexuality and a no-holes-barred orgy. All the while, her horny husband blissfully watches her go at it. Plunge on in, and you'll understand how he feels. Incidentally, the film's original title was *Sexual Aberrations of a Housewife*. Perhaps it's a bit clinical, but it sure is accurate.

EVA GREEN

ON HER FRATERNAL TWIN SIS: "We're very different, both physically and character-wise. It is like we come from two different planets, but when we see each other, we get along fine."

BROWN BUSH IN NEED OF...MOISTURE?: Not since the heyday of great European filmmakers Fellini & Antonioni has a Continental siren so earthy, erotic and breathtaking emerged on screen as Eva Green. Half-Swedish, half-French Eva was perfect for *The Dreamers* ('03, all), Italian movie maestro Bernardo Bertolucci's tribute to the '60s in Paris. Sporting *large, luscious, gravity-mocking tits* & a *halcy Euromuff*, Eva's made for *wet dreamers*.

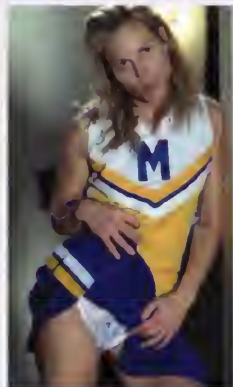

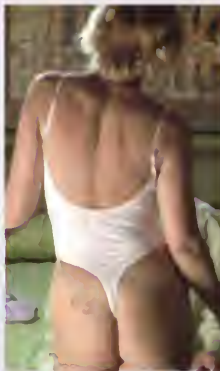

BUY THESE DVDs

MARIA BELLO

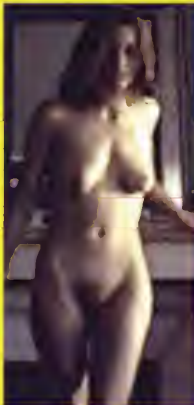

BELLO'S "FURBELOW": No-nonsense Marla exudes bare-knuckled sexiness in keeping with her taut body, husky voice & amazing willingness to commit all the way in her acting roles. Her part as a Vegas cocktail waitress in *The Cooler* ('03, right) called for her to bed down in the buff with William H. Macy, playing a loser whose luck has *definitely* turned. Bello's butt, *mini-milkers* & *thick, dark patch of pubes* are on "historic" display in the crime drama *A History of Violence* ('05, above & below); she also dons & *doffs* a scorching cheerleader outfit, and then exposes her full-frontal fineness in an open robe. This brazen broad is bare, real & ready.

MARION COTILLARD

THE JANE BIRKIN OF HER GENERATION?: This ravishing French goddess is 2 treats in one—a sexbomb who's more than willing to get 100% nude to get to the core of a character, and 100% a talented, diverse actress who won the 2007 Academy Award for Best Actress for her riveting, dead-on portrayal of doomed chanteuse & icon of all-things-France, Edith Piaf. With her haunting eyes & often hunted-looking demeanor, Marion's unforgettable in *Pretty Things* ('01, above & below), & plays an ultra-convincing hard-boiled hottie in *Une Affaire Privée* ('02, right). She's Billie Frechette in July's *Public Enemies*, starring with acting legend Johnny Depp.

MAGGIE GYLLENHAAL

FROM HER GYLLENHOLE: "There is a need, especially right now in America, to be a bit provocative."

INDIE STAR: Maggie's filled the "need" for "provocative" since her starmaking reveal in '02's *Secretary*, in which she played a self-loathing, self-harming doormat to James Spader's mysterious "boss man with a penchant for punishment." *Strip Search* ('04, top right) saw her endure further on-screen scrutiny of an even more insidious nature, while *SherryBaby* ('06, middle & bottom right) gave her a chance to revel in kookiness. Maggie "sags" and therefore, soars, where more concelted starlets never dare.

ILSA

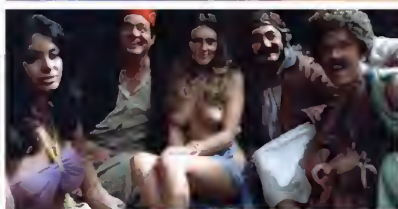

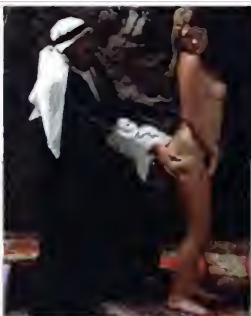

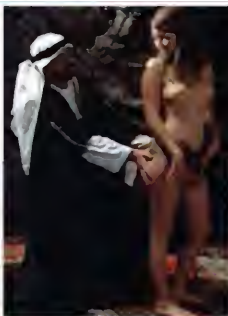

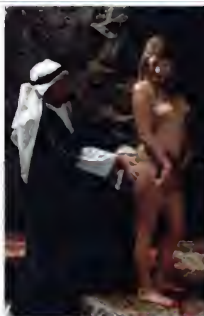

HAREM KEEPER OF THE OIL SHEIKS

Only Dyanne Thorne's Ilsa could finagle a "career change" from *Ilsa, She Wolf of the SS* to *Ilsa, Harem Keeper of the Oil Sheiks* ('76)! Considering her **37D jugs** & penchant for punishing pretties, she's in her element, with Uschi Digard (**44DDD**) as one of 3 kidnapped western women delivered to Sheikh El Sharif's harem in crates (& wearing chastity belts). Ilsa's *beave-eager* to fatten them up through force-feeding, school their tongues & *clits* for cunnilingus.... Obviously, Ilsa *never* gets "a case of the Mondays."

AN OPINIONATED OVERVIEW OF FLESH-HEAVY CINEMATIC ODDITIES RECENTLY UNLEASHED ON DVD BY BROOK AVALON

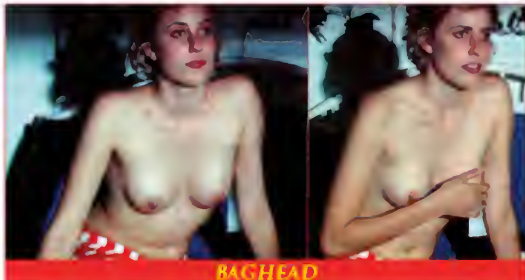

BAGHEAD (2008)

NUDE: Greta Gerwig

THE SKINNY: The New-York-based "mumblecore" independent filmmaking movement is known for its miniscule budgets, low-key dialogue, and naked hipster chicks. In the horror send-up *Baghead* (2008), the nude bohemian in question is perky-nerpled blonde hottie Greta Gerwig, playing one of a gaggle of friends who seclude themselves in a cabin to write a slasher movie, only to get slashed themselves. When watching *Baghead*, keep a rag around for your little head.

CRAIG (2008)

NUDES: Sarah Louise Christiansen, Alice Haaber, Christa Møller Nielsen, Jenni Lykke Olsen, Trine Stårup

THE SKINNY: *Craig* (2008) showcases writer-director Kim Sørensen in the title role, as a downbeat loser who attempts to perk himself up repeatedly with strippers, prostitutes and online nude models. They'll perk you up, too. Unfortunately, naked chicks don't provide Craig with quite enough therapy, and he turns into a homicidal maniac. Enjoy the nude ladies on display, but try not to let that happen to you.

THE MAN WHO CAME BACK (2008)

NUDE: Jennifer O'Dell

THE SKINNY: Bald-headed butt-stomper Billy Zane tackles the title role in the amped-up western, *The Man Who Came Back* (2008). After a gang of roughnecks frame our hero for murder, brutalize him in the name of justice and then leave him for dead, Zane returns to exact revenge with guns blazing. Jennifer O'Dell also busts out her double barrels. You may remember her as the bikini-clad jungle girl on the sci-fi TV series, *The Lost World*. Here, you'll find Jen's globes nude.

PULSE 3 (2008)

NUDE: Courtney Shay

THE SKINNY: *Pulse 3* (2008) is the second direct-to-DVD sequel to the 2006 big-screen horror hit *Pulse*. This one boasts more nudity than the first installment, but it's not as good as Boti Bliss's bare, bobbling boobies in *Pulse 2: Afterlife* (2008). Still, *Pulse 3* is a jolting, post-apocalyptic trip, following sexy Justine (Brittany Renee Finamore) as she navigates a wrecked world of dangerous spirits. Among them is topless Courtney Shay, who will get your *Pulse* racing to one very specific destination.

SECRETS OF THE CLOWN (2008)

NUDES: Michelle Brancato, Susie Grant

THE SKINNY: All grown up and gorgeous Val (Kelli Clevenger) remains attached to a creepy clown doll from her childhood, to the point where her boyfriend, Bobbie (Paul Pierro), is a little freaked out. So what are the *Secrets of the Clown*? Those are revealed in high style by this edgy fright flick, as are the bare big-tops of Michelle Brancato and Susie Grant. And that's nothing to Clown around about.

SEX AND BLOOD NIGHTMARE (2008)

NUDES: Tina Krause, Niki Notarile, Lily St. Claire

THE SKINNY: For fans of the titular elements, *Sex and Blood Nightmare* is a dream come true. Shattering the boundaries of standard crazed-killer movies, director Joseph R. Kolbek pushes violence to insane, new heights, even for low-budget, direct-to-video fright material. It's the cast, however, that elevates this *Nightmare* to a vision of pure delight, revealing every inch of their naked bodies in between the moments of mayhem. And, believe us—it's every inch, including spread-open labia. This ballsy movie is pussy horror in the most literal sense.

SPIKER (2008)

NUDES: Linda Johnson, Ginger Kroll, Giselle Rodriguez

THE SKINNY: The baddie of the hair-raiser *Spiker* (2009) is a pale-skinned ghoul who resides in the backwoods and is enthusiastic about the improper usage of railroad spikes. Into *Spiker's* private realm stumble a couple of carloads of horny teens and, well—you can guess where this is going. What you can't guess is how sexy Linda Johnson, Ginger Kroll and Giselle Rodriguez are with their tops off. That, you'll have to see for yourself...with your own spike in hand.

SUZIE HEARTLESS (2008)

NUDES: Andrea Davis, Mendy McCollm, uncredited actresses

THE SKINNY: Shot with handheld cameras and without dialogue, *Suzie Heartless* is likely the most experimental work ever produced by the normally jovial Seduction Cinema. Plus, its up-close-and-ultra-personal examination of the final days on Earth of a put-upon streetwalker tends to teeter over into the genuinely depressing. Nonetheless, Mendy McCollm is gorgeous (and topless) as Suzie, and B-movie vet Andrea Davis exhibits her Hall of Fame nipples (too bad they're now attached to super-fakey breast implants), and even some bald snizz. There's also an uncredited, nude, tattooed lesbian who fingerbangs Suzie in a moment of erotic frenzy. Nothing *Heartless* about that.

TOWELHEAD (2008)

NUDES: Kim Knight, LoriDawn Messuri, Irina Voronina, Nathalie Walker

THE SKINNY: Alan Ball, creator of HBO's *Six Feet Under*, takes his controversial social vision to the big screen in racially charged *Towelhead* (2008). Summer Bishi stars as a young Arab-American woman who relocates to Texas to live with her ultra-strict father. In addition to tensions at home, out on the streets, Summer takes heat for her background. Mixed into this powerful tale are some even more powerful female nudes, including a party posse of bare-bosomed golf babes. Be prepared to Towel off.
